

18 Fecal Sludge Management (FSM) business models based on empirical analysis (Flagship 3) have been translated into training material for ongoing capacity development activities

Project Title: P436 - RUL Flagship Funds

Description of the innovation: <Not Defined>

New Innovation: No

Stage of innovation: Stage 3: available/ ready for uptake (AV)

Innovation type: Social Science

Geographic Scope: National

Number of individual improved lines/varieties: <Not Applicable>

Country(ies):

- India

Description of Stage reached: Uptake partner using WLE results across India

Name of lead organization/entity to take innovation to this stage: WASH Institute - Water, Sanitation and Hygiene Institute

Names of top five contributing organizations/entities to this stage:

- IWMI - International Water Management Institute

Milestones:

- Roll out of free resource recovery and reuse (RRR) online course based on WLE research and publications

Sub-IDs:

- 46 - Increased capacity for innovation in partner development organizations and in poor and vulnerable communities

Contributing Centers/PPA partners:

- IWMI - International Water Management Institute
