

OCS Module **People planner and project planner**

to be implemented in 2016

This integrated project management tool brings together the planning and skills management, budgeting and project management all into one place. It significantly improves an organization's ability to plan projects and get them done.

For OCS questions and suggestions email AskILRIOCS@cgiar.org. For up-to-date issues related to the OCS such as implementation progress, FAQs, or documentation, please visit: <http://ilri-ocs.wikispaces.com/>.
