Dams in the Irrawaddy River Basin

Commissioned, Under Construction and Planned Dams in April 2016

Legend

- Water supply (commissioned)
- Water supply (under construction)
- Water supply (planned)
- Multi-purpose (commissioned)
- Multi-purpose (under construction)
- Multi-purpose (planned)
- Hydropower (commissioned)
- Hydropower (under construction)
- Hydropower (planned)

Map Source:
The map shows every known commissioned, under construction, and planned dam in the basin. The information is sourced from the Irrigation and Water Resources Commission of Myanmar, the Ministry of Irrigation and Water Resources, and the Irrigation and Water Resources Department of Myanmar. The map is updated as of 2016.

Data Sources:
- Governments of Myanmar, Bangladesh, and India
- International organizations and non-governmental organizations

Acknowledgements:
WLE Greater Mekong gratefully acknowledges the financial support of the Australian Department of Foreign Affairs and Trade (DFAT), the Myanmar Ministry of Irrigation and Water Resources, and the Ministry of Planning and Investment of Myanmar. The Global Self-consistent, Hierarchical, High-resolution Geography (GSHHG) database and the WLE data sets have been used as inputs to this map.
