

Update on CGIAR's 2025—30 science and innovation Portfolio

8th meeting of the CGIAR Integrated
Partnership Board
11 February 2026

Key developments following IPB7 on 21 November 2025

- 1** Following IPB concurrence, the proposed **CGIAR Trust Fund Windows 1 and 2 (W1/2) Budget for 2026** ([LINK](#)) was approved by the CGIAR System Council at its 23rd meeting on 10—11 December 2025, reflecting Portfolio-level prioritization
- 2** Programs' and Accelerators' **2026 Plans of Results and Budgets (PORB)** ([LINK](#)) endorsed by the CGIAR Global Science Team (GST) and Global Leadership Team (GLT), and approved by the EMD, reflecting Program-/ Accelerator-level prioritization
- 3** Initial, **2026 Decision Letters** issued to each Center, communicating allocations of W1/2 funds by Program/ Accelerator consistent with the approved PORBs

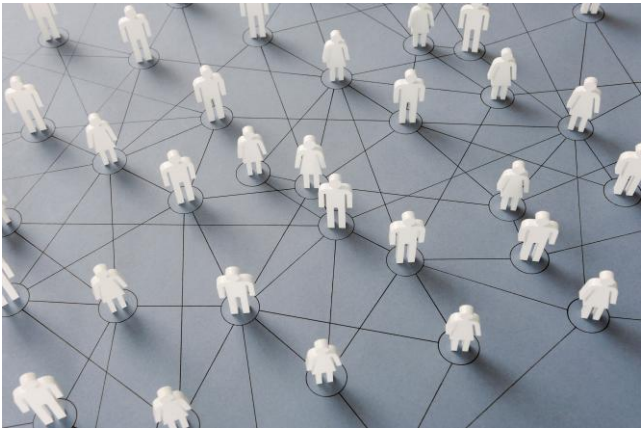

Looking forward: key areas of focus in 2026

PERFORMANCE

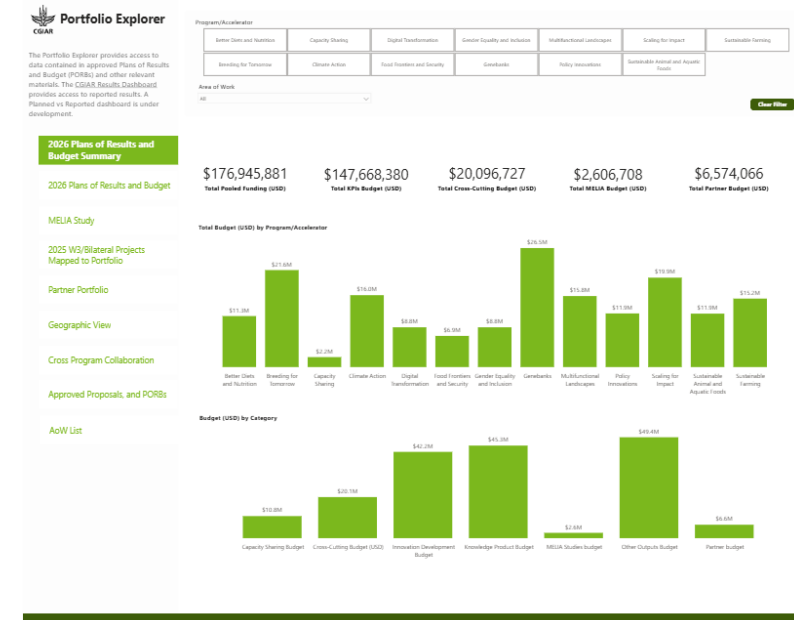

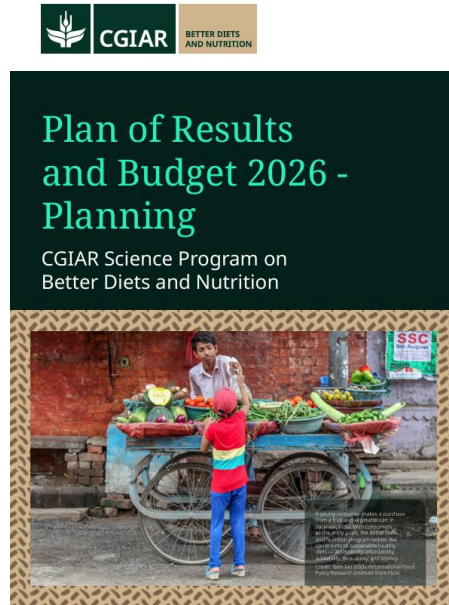

COHERENCE

PEOPLE

Looking forward: 2026 Program/ Accelerator priorities, plans, and budgets

- **2026 PORBs** published on 4 February ([LINK](#))
- supports enhanced transparency and accountability
- annual KPIs drawn from theories of change, by Center, country, and W1/2 funds invested
- partnerships (incl. funding flow-through), W3/ bilaterals

- an interactive **Portfolio Explorer** helps stakeholders interrogate and make sense of PORB data and the underlying theories of change ([LINK](#))
- it provides aggregated, Portfolio-wide views o, *inter alia*, outcomes and KPIs, geographies, partnership, cross-Program/ Accelerator linkages
